FARMVILLE.

In this age of intense restless ness and active going and coming it is rather remarkable with that tenac ity many of the families of Farmville cling together. The home-circle of the late Col. C. M. Walker is still unbroken and all live under the same roof.

That of Mr. W. M. Davidson still make Farmville their home, and the same is true of that of Maj. J. R. Martin, Mr. J. F. Walton, Mr. J. F. Noell and of Mr. B. M. Cox. The latter has a yard full of children and they all live in the same house. With the exception of a married daughter, Mrs. Dr. Vaughan, who lives in Washington, D. C., Mr. W. G. Venable has his family about him. Mr. W. M. Duval has at his own table his entire circle. The only children of Mr. B. L. Anderson live in Farmville and the same can be said of Mr. C. E. Chappell. Mr. Chas. Bugg has a son and married daughter in New York, the rest of his family in the home-town. The only living representative of the late E. Wiltse is engaged in business here. The late R. E. Paulette left a large circle of descendants and with one exception all are here. Mr. G. M. Robeson has his boys in business with one exception and that one is an Episcopal minister with his home in Portsmouth. This is rather an unusual record, and speaks well for the place as an attractive home centre. I neglected to say that the two sons, the only survivors of the late A. M. Cowan are residents here, and I do not believe they could be induced to go elsewhere. The late P. H. Jackson was accustomed to say, "no matter who left Farmville was sure to come back." Mr. Warren Walker owns the old Spencer homestead in the eastern portion of the town, and when he has given it the finishing touches it will be one of the most attractive properties in the place.

Mr. Lucian Bugg Ass't. Cashier of the first National Bank, has bought a handsome residence on High Street. This is the coming residence street of our town, and will be made more attractive when the new walk-way has been finished.

Work on the new Methodist church has been inaugurated and until the structure has been completed the congregation will worship in the opera house.

Hampden Sidney did the proper and handsome thing in conferring the L. L. D. on President Jarman, of the Normal. Dr. Hale, of the William & Mary faculty, who will conduct the summer institute at this place, was first to arrive on the ground and enter upon his work with wonted enthusiasm.

Miss Mary Beckley has gone to Winchester where she will teach in the summer Normal for the month of July. Governor Swanson will appoint a number of new members of the Board of the State Female Normal, and that may mean some changes in the official staff. Mrs. Jarman and the children are in Greenville, Tenn., where they are visiting Mr. Wily, the mother of Mrs. Jarman.

The citizens who live at Rice Depot are not at all pleased that so many of the N. & W. passenger trains fail to stop there.

A social event of more than usual import takes place today when Miss Genevive Racon Venable, of Farmville, becomes the bride of Dr. Walker Morton Holliday, of Hampden Sidney. After a brief wedding tour they will be at home on College Hill. Dr. Holliday enjoys an immense practice and is held in high esteem by a host of friends and patrons, while Farmville has given no fairer or more attractive daughter to the bonds of matrimony than is the one, who to-day becomes his wife.

Postmaster Bugg's salary has been increased from $1900 to $2000. "Watch Farmville grow."

The announcement that Professor Whiting, of Clarke county, has been re-elected a member of the Hampden Sidney faculty, gives genuine and general satisfaction. He acted as President after the resignation of Dr. McIlwain, and made a fine impression on students and community. There has recently been introduced into the management of that venerable school of learning enough young blood to give new thrill of life as well as secure trolley line connection with Farmville and through Farmville the rest of the world.

Applications for summer board in Farmville are more numerous than ever before in the history of the town,—numbers have been turned down for want of room. A model hotel on the hilltop over-looking the lithia springs would pay. But our men of means seem wedded to tobacco, and those whom has it have joined in business wedlock, progress though you spell it with a big P, seems unable to put asunder.

We ought to put a few more irons in the fire, and there is no reason that any of them should burn. But Farmville is all right and those who know her best love her most. With some faults we love her still.

By cutting the head tax off the immigration bill, Congress practically beheaded the measure.

Will Cure Consumption.

A. A. Herren, Finch, Ark., writes: "Foley's Honey and Tar is the best preparation for coughs, colds and lung trouble. I know that it has cured consumption in the first stages." You never heard of any one using Foley's Honey and Tar and not being satisfied.

A Thousand Dollars' Worth of Good.

"I have been afflicted with kidney and bladder trouble for years, passing gravel or stones with excruciating pains," says A. H. Thurnes, a well known coal operator of Buffalo, O. "I got no relief from medicine until I began taking Foley's Kidney Cure, then the result was surprising. A few doses started the brick-dust-like substance and now I have no pain across my kidneys and I feel like a new man. It has done me $1,000 worth of good." Foley's Kidney Cure will cure every form of kidney or bladder disease.

Stimulation Without Irritation

in case of stomach and liver trouble the proper treatment is to stimulate these organs without irritating them. Orino Laxative Fruit Syrup aids digestion and stimulates the liver and bowels without irritating these organs like pills or ordinary cathartics. It does not nauseate or gripe and is mild and pleasant to take.

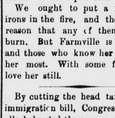
Some of our food preparations seem to contain almost everything except food. Give us pure food.

Thousands Have Kidney Trouble and Don't Know it.

How To Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.



What to Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of **Swamp-Root** is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and $1. sizes.

You may have a sample bottle of this discovery and a book telling all about it, both sent absolutely free by mail, address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

Home of Swamp-Root.

Don't make any mistake, but remember the name, Swamp-Root Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
